Sir,

Adverting to Government Order No.L.6501-3/ml. 32-40-119 dated 5th March 1941, sanctioning the employment of four additional Sanitary Inspectors in the Bangalore City Municipality in the grade of Rs.35-5/2-55-4-87, I have the honour to state that the Municipal Commissioner, Bangalore City reports that one Mr.B.Hanumantha Rao, Disinfection Inspector of the Bangalore City Municipality has put in a representation requesting that he may be absorbed in one of the vacancies of the four Sanitary Inspectors newly sanctioned in view of his long service in the Municipality. He has put in a total service of 26 years and is now drawing a pay of Rs.55/- plus Rs.10/- P.A. and Rs.5/-C.A per month. He is an experienced executive official and has worked as Sanitary Inspector in several short term vacancies and thus gained sufficient experience. I have personally seen his work and found that he has practical experience of doing the Sanitary Inspector's work and as such he deserves the promotion as a Sanitary Inspector.

He has got only 4 years of service before him to attain superannuation and has no chances of further promotion. I therefore recommend that Mr.Hanumantha Rao may be permitted to be absorbed as a Sanitary Inspector in one of the four vacancies newly sanctioned. I have arranged to post three other Sanitary Inspectors to the Municipality.

SIR,

With reference to your Memo No H E S 336 dated 27-11/1-12-1941 in the matter of promoting Mr B Hanumantha Rao, Disinfection Stores Inspector of this Municipality as Sanitary Inspector, I have the honour to forward herewith a copy of the G.O. No L 4609-10-M1 26-39-41 dated 9-15th Nov., 1939, sanctioning a personal allowance of Rs 10/- per month to the said Official He possesses no general qualification. He has put in a service of over 27 years in this Municipality Copies of the resolutions of the Managing Committee dated 9-4-1942 and of the Council dated 29-4-1942 are herewith forwarded together with the service Register of the Official.

2. Mr. B Hanumantha Rao is a strict official in the discharge of his duties and does his work conscientiously without paying heed to the words of others Therefore some of the Municipal Councillors do not seem to like him On the other hand, several officers have previously recommended his case for promotion on more than one occasion He is an efficient hand and he has been discharging his duties boldly which others in his position hesitate to do on account of the unpleasant consequences which would eventually arise He has put in a total service of over 29 years, of which 27 years are in this Municipality alone He has been in charge of Divisions as Sanitary Inspector in addition to his duties as Disinfection Stores Inspector almost continuously for about 5 years past If he had been taken to the cadre of Sanitary Inspectors in the usual course, he should have been drawing by now Rs.75/- in grade Rs 35-2-55-4-87. He has got to serve only for about 1 year and 2 months to attain the age of superannuation. He is easily the best Sanitary Inspector in this Municipality It seems unfair to deny promotion to such an efficient and long standing official. He will not be substantially benefitted even if he is simply promoted as Sanitary Inspector now

As his continuous good work deserves recognition, I strongly recommend that he may be exempted from the examination qualification and promoted as Sanitary Inspector and fixed on Rs.75/- plus Rs 10/- P.A in grade Rs 35-2-55-4-87 so that he may at least be enabled to draw an enhanced pension of a few rupees He may even be transferred to any other place as Sanitary Inspector and I assure you that he will give entire satisfaction in his work

With reference to your letter No.L 3566 dated 6th November 1941, on the above subject, asking information on several points, I have the honour to state as follows.-

1. Government sanctioned a personal allowance of Rs.10/- to Mr. Hanumantha Rao in their Order No.L.4609/10 Ml-26-39-41 dated 15th November 1939 on the resolution of the Municipal Council, approving the grant in view of his long service of 25-years and his good w o r k.

2. He has no general qualifications He has been in the Municipality from January 1915 (27½-Years).

3. The Municipal Council have not viewed his case favourably, as noted in their resolution dated 29th April 1942, (copy enclosed), a s perhaps the increased emoluments, if any, would affect their finances. But he need not necessarily be continued in the Municipality, as he could be posted to any other suitable place after he is absorbed in the general cadre of Sanitary Inspectors, when there would be no burden on the City Municipality.

Submission of Memo No W 7606 dated 13th June 1942 by the Health Officer, Bangalore City, to the Municipal Commissioner, for favour of transmission to the Director of Public Health in Mysore, Bangalore:

Disinfection Inspector, Mr B Hanumantha Rao has been quite a long time in Municipal Service and has done duties in various executive capacities He has been entrusted with Divisional Sanitary Work for nearly 6 or 7 years and has given satisfaction to his superior officers On this account, the Municipal Council granted him a personal allowance of Rs 10/- per mensem

He now desires to be placed in the cadre of Sanitary Inspectors before he retires from service When this subject came up before the Municipal Council, I think they could not possibly consider his case favourably owing to increased emoluments bearing stress on the Municipal resources and also in view of his already being given a personal allowance. If the Director of Public Health can take him to the Department and give him suitable work and encouragement, it will go a long way to satisfy t h e prayer of the appli He has been found very efficient
